

Tutors can...

- Clarify and reinforce concepts and areas of confusion
- Help you review the material covered in class
- Review problems similar to homework problems or double check things you are unsure about
- Help you develop independent study skills and provide class-specific tips
- Tutors are available to help, but their goal is to help you become independent

Tutors can't...

- Replace your instructor and lecture or teach the material
- Help with take-home tests, do homework with you, or for you
- Correct or grade papers/assignments
- Replace going to class
- Give you ideas for papers, write them for you or interpret a reading
